

Dear GoCPS Families,

In a few weeks, we will open the final phase of this year's GoCPS application process, which is called Selection. During the Selection phase, we will release high school results for the 2019-20 school year. In preparation for this, please review the important information below.

Accessing Your High School Offers

Round 1 high school results will be released on **Friday, March 29, 2019**. If you applied online, results will be posted in your online [GoCPS](#) account between **5:00 p.m. and 11:59 p.m.** If you applied with a paper application, a notification letter will be sent to the primary address on your application via U.S. mail. In addition, an online GoCPS account has been opened for each paper applicant, and results will be posted there as well.

Prior to March 29th, please log in to your GoCPS account to make sure you have the correct access credentials. If necessary, click the 'Forgot Password' link on the 'Log In' screen. If you are still unable to access your account, call the Office of Access and Enrollment at 773-553-2060, weekdays between 8 am and 6 pm, or email gocps@cps.edu.

Accepting or Declining Offers

Families will have until Friday, April 12, 2019, at 11:59 pm, to accept or decline offers. Any offers not accepted by that time will be automatically forfeited. For more information on GoCPS, visit [GoCPS](#) and review the **Important Dates** section on the home page.

Understanding High School Offers

GoCPS features a [High School Selection](#) page to help you understand the processes behind high school selections and offer notifications. A series of videos and illustrated guides will walk you through important topics like program selection processes and the factors you should consider when deciding whether to accept or decline an offer. Before you leave for Spring Break, please review this content to understand your options.
