

Good Morning Students,

I hope all is well with you and your families. This is to announce the date that first round results will be released for families applying to ninth grade.

Ninth grade results for the first round will be released on **FRIDAY, APRIL 30, 2021** between **5:00 p.m. and 11:59 p.m.**, 2021. All applicants will receive their results via their online GoCPS account. An online GoCPS account will be created for paper applications using the email address or phone number on the paper application; information will be emailed to paper applicants to assist them in accessing their online accounts. During the week of **APRIL 26th**, all applicants will receive instructions via email on how to access their results. (This information is also being provided to ninth-grade applicants to the GoCPS mailing list.)

When additional dates on the GoCPS timeline have been finalized these will be posted on the GoCPS calendar. These will include, but not limited to, the deadline for accepting or declining offers, the start date for the waitlist process, and the dates for the second round.

Resources:

The GoCPS site includes many descriptions and instructions for families to help you navigate the offer acceptance process, including videos that provide visual/step-by-step directions on how to complete this task. **By April 1, 2021**, the site will contain updated Frequently Asked Questions(FAQs) that address the release of results, the second round, and additional information.
